

E. Upon the construction of any new apartment building in The Village of Elizabeth, each apartment shall have its own water meter and be charged a rate based on that water meter usage. (Ord. 2018-0516A)

F. All existing apartments and single apartments within The Village of Elizabeth, each apartment shall begin paying a minimum rate. The apartment owner shall be responsible for the minimum amount of each apartment and any overage and it shall be paid by the owner of the apartment building. (Ord. 2018-0516A)

G. Optional Meters:

1. A Village resident may request a “water only” meter.
2. The water meter will be provided by the Village of Elizabeth but charged to the homeowner (\$250) and installed at the home owners’ expense by a licensed plumber (arranged by the home owner).
3. A Backflow Device (or Check Valve) must be purchased and installed (both at home owners’ expense) on the water only meter.
4. The Village of Public Works Department must inspect the installation of the meter and backflow device.
5. The Village of Elizabeth would require the homeowner to have the backflow device inspected annually (per Ordinance 9-4-4) at owners’ expense.
6. Billing: The homeowner will receive a separate bill for this meter. The minimum water fee will be applied. (Currently \$16.39 for up to 2,500 gallons). No infrastructure fee. No meter fee.

WHEREAS, The Village Board intends to approve an Ordinance amending the Water Use and Service Ordinance.

IT IS HEREBY ORDAINED that the Village of Elizabeth approves an ordinance Water Use and Service Ordinance.

All other terms and provisions of the original ordinance shall remain the same.
